For the avoidance of doubt, any such decision may, but needs not to, allocate any amount contributed to the contributor.
- 5.4 The subscribed share capital and any Authorised Capital (as defined below) may be increased or reduced by a resolution of the General Meeting adopted in accordance with the conditions required for the amendment of the Articles, as further detailed in Article 13.18.2 and in accordance with Luxembourg Law.
- 5.5 All Shares must be fully paid up on issue by contributions in cash or in kind.

- 5.9 The Board of Directors is authorized to determine the conditions of any capital increase and the issuance of new Shares and the instruments to be issued in accordance with the above provisions through contributions in cash or in kind, among others, by the conversion of debt into equity, by offsetting receivables, by the incorporation of reserves, issue premiums or retained earnings, with or without the issue of new Shares, or following the issue and the exercise of subordinated or non-subordinated bonds, convertible into or repayable by or exchangeable for Shares (whether provided in the terms at issue or subsequently provided), or following the issue of bonds with warrants or other rights to subscribe for Shares attached, or through the issue of stand-alone

- 5.10 The Board of Directors may approve the issuance of new Shares and, where applicable, the instruments to be issued in accordance with the provisions of this Article 5 of the present Articles without reserving (i.e. by cancelling or limiting) the preferential right to subscribe for such Shares and instruments for the existing shareholders so long as such issuance of new Shares and instruments is carried out through a public offering process.
- 5.11 The Board of Directors is authorized to set the subscription price, with or without issue premium, the date from which the Shares or other financial instruments will carry beneficial rights and, if applicable, the duration, amortization, other rights (including early repayment), interest rates, conversion rates and exchange rates of the aforesaid financial instruments as well as all the other conditions and terms of such financial instruments including as to their subscription, issue and payment, for which the Board of Directors may decide that, if the proposed increase of capital is not entirely subscribed for, the capital shall be increased by the amount of subscriptions received.

The non-subscribed portion of the Authorized Capital may be drawn on by the exercise of conversion or subscription rights already conferred by the Company.

- 5.16 The Company shall consider the person in whose name the Shares are recorded in the register of shareholders to be the owner of those Shares.

The Board of Directors may determine the requirements which such confirmations must comply with.

- 5.18 Confirmations that an entry has been made in the register of shareholders will be provided to shareholders directly recorded in the register of shareholders or, in case of Depositories or sub-depositories recorded in the register, upon their request. Except for transfers in accordance with the rules and regulations of the relevant Depository, the transfer of Shares shall be made by a written declaration of transfer recorded in the register of shareholders and dated and signed by the transferor and the transferee or by their duly-appointed agents.
